

Your Wedding at Trinity Methodist Church, Chelmsford

Church Weddings are very special and we have everything that you'll need at Trinity Methodist Church to make your day special.

Making Your Day Special and Affordable.

As a Methodist Church, we offer a warm and welcoming environment for those who choose to make their wedding vows in the presence of God. A church marriage is a solemn Christian ceremony, with prayers and Bible readings reflecting Christian understandings of what marriage is about. Whilst people wishing to marry in a Methodist church do not need to be church members, Revd Mike Lewis will look for a genuine desire on the part of a couple to take their marriage seriously along the lines set out in the service.

Ceremony Rates

Hire of the Worship Area for up to 180 people - from £300 .00 for the day.

The Services of Revd Mike Lewis for the Ceremony - £175.00

Our Organist - subject to availability and music being agreed - £75.00 per hour

Church Stewards will be on duty on the day to oversee proceedings - from £75.00 each depending on how many are required and the time needed.

Please discuss with Revd Mike Lewis if you wish your own minister to preside over the service or blessing. We will need to provide an Assistant Registrar for the ceremony and charges are applicable from £75.00 per hour.
