## July ECO tip

### ***Ditch the tumble dryer***

*Putting the washing out on the line used to be a standard household chore. Compared to using a tumble dryer, hanging your washing out saves a lot of energy. When the weather is a little dreary, opt instead for a clothes airer to dry your clothes inside.*

**Do you have Church Keys that you no longer need ?  
Please could we have them back . It's very expensive  
to keep having new keys cut . Please return via the  
pigeon hole in an envelope with  
your name on the envelope.**

**Thank you, Janet**
