Weekly Joke:

A pastor is walking down the street one day when he notices a small boy trying to use the doorbell on a house across the street. However, the boy is very small, and the doorbell is too high for him to reach.

After watching the boys efforts for some time the pastor walks across the street up to the little fellow and rings the doorbell. Kneeling down next to the child, the pastor smiles and asks, "And now what, my little man?" To which the boy replies, "Run!"
