You don't have to take on a specific role yourself, maybe just to help occasionally - not a problem, we welcome everyone. Use the Enquiry form below to get in contact with us.

Do you have 'green fingers'? Volunteers needed to look after our church flower beds.

I think we can all agreed that, after many years, we have been extremely lucky that our church flower beds have been lovingly cared for by David and Joy Petts. However, David and Joy have decided that the time is right for them to hand over their gardening responsibilities to someone else. Could that be you or is there someone you know with green fingers who would be willing to take this on? Kindly speak to David and Joy or send me an email if you are interested.

Weekly Joke

A Sunday school teacher was discussing the Ten Commandments with her five and six-year-olds. After explaining the commandment to 'Honor thy father and thy mother,' the teacher asked, "Is there a commandment that teaches us how to treat our brothers and sisters?"

Without missing a beat, one little boy answered, "Thou shall not kill."

Please include in your prayers anyone who is poorly and cannot join us in person at Church.
